ROHIT RADHAKRISHNAN

Dublin, Ireland | rohitrk.ie@gmail.com | +353894262238 | linkedin.com/in/rohit-rk

PROFESSIONAL SUMMARY

SEO and digital marketing professional with **over six years of experience** and an **MSc in Digital Marketing & Analytics**. Combines technical SEO, AEO/GEO content optimisation, JavaScript rendering diagnosis, and developer collaboration. Prepared AEO briefs for content subsequently cited in a Google AI response. Uses Screaming Frog audits and combined-source reporting to turn search and content findings into practical implementation priorities that improve discoverability and organic lead generation.

CORE EXPERTISE

AI search and content: **Answer Engine Optimisation (AEO), Generative Engine Optimisation (GEO),** manual citation checks; ChatGPT/Google AI monitoring, intent-led briefs and FAQ optimisation
Technical SEO: **Screaming Frog,** crawlability and indexation, JavaScript rendering diagnosis, structured data/schema, architecture, canonicalisation, internal linking, Core Web Vitals
Research and measurement: **Ahrefs, Semrush, GA4**, **Google Search Console, Looker Studio**, spreadsheet data, competitor research, content comparison, repeatable audit checks
I**mplementation and reporting**: Salesforce developer tickets, publishing QA, A/B testing, organic lead/enquiry reporting, stakeholder recommendations, agency and developer collaboration
Web platforms: WordPress, Elementor, Shopify, Wix, Adobe Experience Manager, HTML/CSS, basic JavaScript

Key Projects

AI citation example | Planeta Sana: Prepared the AEO brief for a soil-health article subsequently cited in a Google AI response. Manually verified the citation using a related query in incognito mode. Published article
Automotive website | ReachLocal / Genpact: Personally audited and optimised a website containing approximately 18,000 pages, applying technical SEO analysis across approximately 1,500 websites.
The Great Curtain Company | ReachLocal / Genpact: Built an SEO-first website with search-led content and conversion-focused journeys. Achieved **Top 3 visibility for selected queries** and organic enquiries, contributing to greater client investment in SEO

PROFESSIONAL EXPERIENCE

SEO & Digital Marketing Analyst **Planeta Sana**
Dublin, Ireland| Apr 2026 – Present

- Prepared an **AEO-focused brief** for a soil-health article subsequently **cited in Google's AI-generated response** to a relevant query, observed through an incognito search.
- Write blogs and prepare AEO/GEO briefs, and implement content, schema, and FAQ improvements around audience needs and search intent.
- Monitor related queries manually and review traffic, queries, landing pages, and engagement using **GA4 and Google Search Console**.
- Use **Screaming Frog** for repeatable content/technical checks and diagnose JavaScript rendering and indexing issues; guide stakeholders on implementation priorities.

Digital Marketing Executive **CS Ventures Ltd**
Dublin, Ireland | May 2024 – Dec 2024

- Supported website content, publishing, and QA, recommended improvements to information structure, user journeys, and conversion pathways.
- Created an **SEO sales pitch** and client presentations; coordinated content and delivery across multiple locations.

Senior Digital Marketer & SEO Specialist **MX Advertising Pvt. Ltd.**

Mumbai, India | Jan 2023 – Nov 2023

- Led technical SEO strategy across B2B and B2C clients, covering crawl optimisation, indexation, architecture, schema, and Core Web Vitals.
- Used localised content and location-level Google Business Profile optimisation to move a brand's reported organic-traffic measure **from 30% to 55%.**
- Built **Looker Studio reports combining GA4, GSC and spreadsheet data,** presented dashboard insights and organic lead/enquiry findings to directors and stakeholders.
- Led a **four-person team**, trained two juniors and managed agencies, coordinating content, design and development delivery.

SEO Analyst **ReachLocal / Genpact**

Mumbai, India | Jan 2020 – Jan 2023

- Managed **approximately 30 concurrent international SEO accounts**, including SaaS clients, developed monthly reports, and prioritised action plans.
- Diagnosed **JavaScript rendering and indexing issues** and raised written implementation tickets for developers through **Salesforce.**
- Used **Screaming Frog** for repeatable schema, heading, and content checks and assessed related content, duplication, and gaps to guide recommendations.
- Increased **organic search by 60%** for an HVAC business while reducing bounce rate by **10% relative.**
- Reworked thin and underperforming pages into lead-generating content, increasing **organic traffic by 40%.**
- Increased **home-services leads and enquiries by 15%**, improved website UX and conversion pathways to increase **dental-business leads by 10%.**
- Researched competitors and implemented SEO recommendations across financial-product service pages, product pages, and blogs for business buyers and consumers.
- Conducted **A/B testing of lead-generation pages**, used Google Analytics and Search Console for outcome reporting, and documented QA for website delivery.

Digital Marketing Executive **Cyphware Infotech Pvt. Ltd.**

Mumbai, India | Jul 2019 – Dec 2019

- Managed digital activity for Cyphware Infotech and GoCeleb, coordinating campaign targeting, creative work and performance reviews.
- Increased **social media traffic by approximately 15-20%** for an emerging events company; created cross-channel content calendars.

Digital Marketing Trainee (Full-time Internship) **Digital Republik**

Mumbai, India | Dec 2018 – Jul 2019

- Contributed to the Bridgestone Singapore website using **Adobe Experience Manager**, from architecture and page creation to content layout, UX, and conversion pathways.
- Created and verified **40+ Google Business Profiles** for Bridgestone India; supported Dr. Dangs Lab with website content, Google Ads, and backlinks
